

## C.A.R.E. Receives Grant from Community Foundation

Volunteers at the C.A.R.E. no-kill animal shelter in Ruskin are pleased to announce the receipt of a grant from the Community Foundation of Sun City Center for the renovation of an area at the shelter. The renovated area will add capacity to the existing inside kennel runs and allow for the separation of large and small breed dogs. The renovation is expected to be completed in February.

By increasing the number of small breed dog kennels, C.A.R.E. will save more pet lives and will also be better able to assist community residents who may only adopt smaller animals because of physical or community association restrictions.
